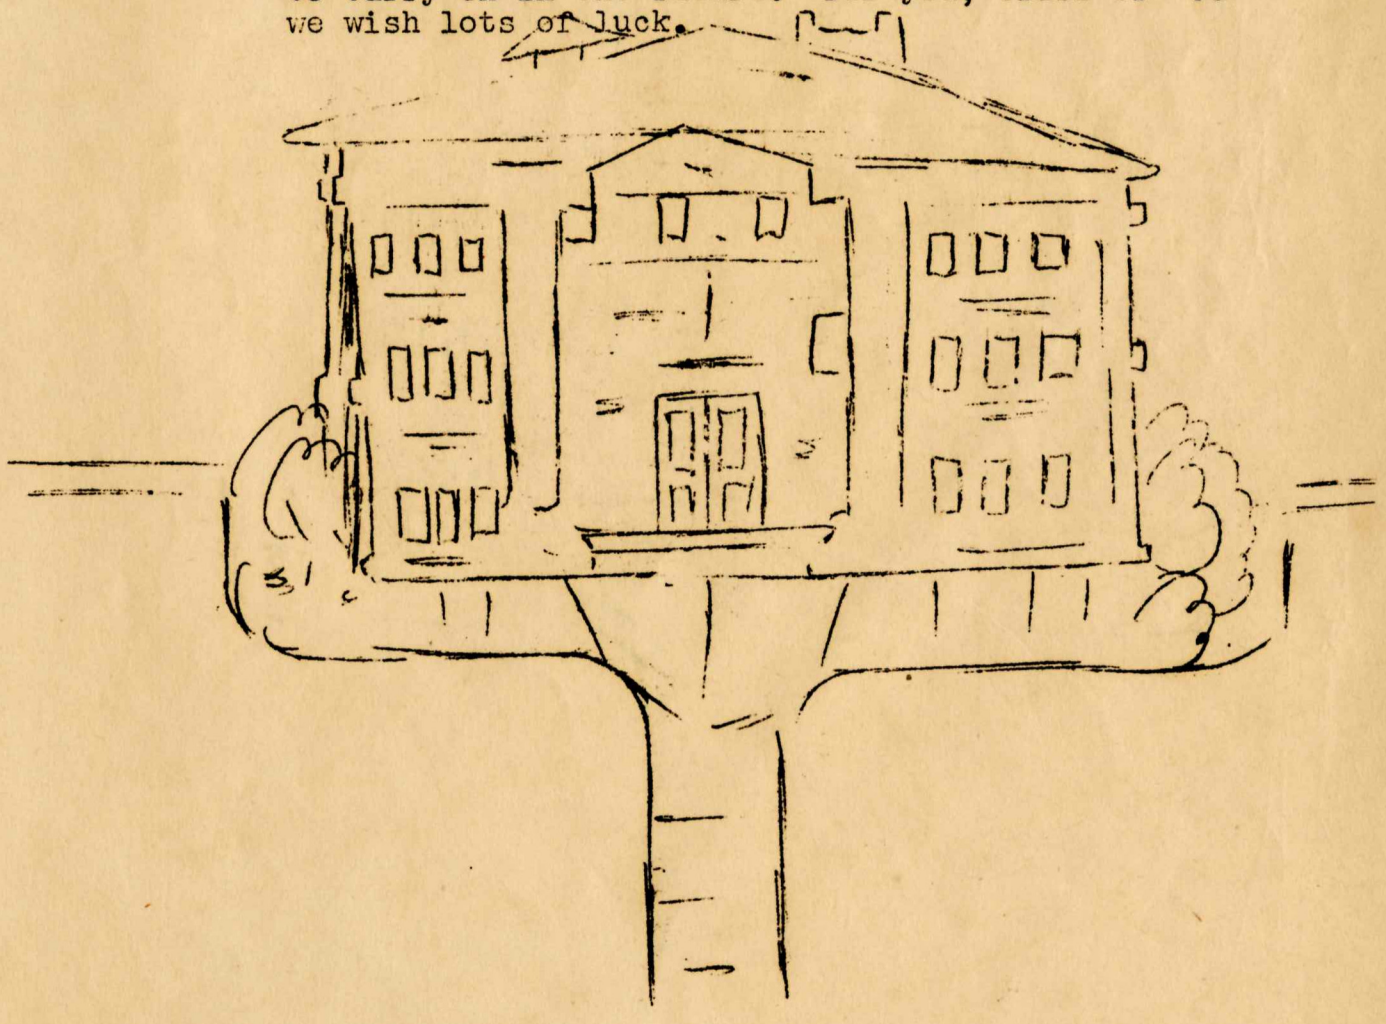
Members of the Junior Class of '37, to you we dedicate this book, "The Kinetoscope". With it we give a challenge, a challenge to carry on in the future. For you, Class of '38 we wish lots of luck.



Quo Vadis, Seniors?

Now you find yourself at the end of your school life--life with its mysteries, its sorrows, its joys is about to open wide to you the door of opportunity. What will be your choice? "Quo Vadis, Seniors"--Do you possess character, courage, perseverence? Do you believe in your fellow man? Are you willing to accept a superior? Will you life for the good? Will you be resigned to what fate holds for you? Can you be strong against temtation? These questions must be answered by all who wish to life a full life. As we go through this short span of physical life, we come face to face with reality. With a strong spiritual and physical constitution, we can fight and we can survive. Your school has attempted to give you what we can call only an aid to successful life. We have tried to teach you responsibility; promptness; and honesty. We have offered to you an athletic program designed to give you stronger bodies and to teach the ethics of true sportsmanship. We have offered you music and a splendid set of books designed to develop what cultural taste you might have possessed. There were little lessons that you learned in the classrooms or from association with your classmates and fellow students that can never be blotted from your memory. Companionships that were formed; the mental and moral transformation that took place in your adolescence will serve as a foundation. We trust that it was built in solid rock. You are the sole judge. In your quiet moments, you will decide the issue. Believe that life is good; be strong; be ambitious and when asked "Quo Vadis?", be able to say, "Ad Astra per Aspera."

TIGERS HAVE GOOD FOOTBALL SEASON

1936

To Moss Point Hi befell the honor of inaugurating the 1936 season of football on the Gulf Coast. The tigers played host to Long Beach for the first game. The final score stood 6-0 in our favor for the first game and this made our fighting Tigers fight all the harder.

The climax of the season came when we played Biloxi. Not only was this an interesting game but it marked the first public appearance of our new band. Cheering had never before been so loud as when the Biloxi Indians arrived amidst a motorcade, cheering squad, and their own band. The score ended against us but it is a game that will be long remembered.

The last game of the season was played in Bay St. Louis. Several studonts and the band made the trip with our boys. The M. P. H. S. Tigers conquered the Bay Hi Tigers.

The Football Banquet December 18, sponsored by the Girl Reserves, brough to an end the 1936 season.

The hall was beautifully decorated in maroon and gold.

The boys marched in led by Calude Stauter, Honorary Captain, to the tune of "Hail Hail" played by the Tiger Band.

Six girls dressed in blue and white to represent the G. R's served. Mr. Felder gave the blessing and cocktails were served. Everyone present made a short speech. The band played several snappy numbers while the boys were eating.

The climax of the evening came when Mr. Khayat made the awards.

The boys then marched out to "Our Alma Mater."

Dancing was then enjoyed for the remainder of the evening.

OUR TIGERS OF 1936

SENIORS:

Although some of you have never thought about what would happen to you in the future, you should have been considering your life to come.

Now that your high school days are ending, it should make you think more seriously. Do not think for one minute that your education is complete--for this is just the beginning. The past, now, is merely a walk of life that you have been traveling and you should look back over your journey and profit by the mistakes you have made. You can see your own faults---now strive to correct them and make them into better habits which will be useful to you and your fellowmen in the future.

Seniors, do not let up now. There is nothing more pleasing to the eyes or to the heart and mind than to see a young man or woman who has graduated from high school make plans for the future. If you do not make plans, you will be like a boat which is adrift at sea with no one aboard to steer it. Where will it go? No one knows--it may land; it may not. If it lands, it may not be a pleasant landing. So think--Let your bodies be boats; let your minds and sould be the crews; plan your journey and don't allow yourselves to drift. Have a definite purpose and you will have a happy voyage.

Perhaps some of you have the idea that you will have an easy time in life. Banish all ideas of this kind and convince yourself that you cannot get something for nothing. It takes hard, honest, faithful, purposeful effort.

Strive to make your life worth living and you can appriciate your past. Your education ceases when you have become a success, and success is determined when life is over. Then you can enter wholeheartedly into the life which has been promised by your Maker.

R V Shields

GIRLS AND BOYS HAVE GOOD BASKETBALL SEASON
1936-1937

GIRLS COACHES — Miss Miller & Miss Rouse

BOYS COACHES — Mr. Khayat & Mr. Shields

Most of the basketball games this season were doubles. The first game was plyed on our own court. M. P. H. S. boys and girls played host ot Wade boys and girls. The girls won their game but the boys lost their first game. This winning of one game and losing of another only served to make both teams fight harder.

Three games were played away; Vancleave, Pascagoula and Biloxi.

The girls won the Jackson County Tournament. The boys were defeated by a small score in the first game.

We entered the Gulf Coast Regional Tournament which was held in Bay St. Louis. The boys were defeated the first game but the girls held on until the semi-finals.

We are very proud of our boys and girls who strove so hard to make this season a memorable season. CONGRATULATIONS!

With approximately 600 boys and girls gathered together on the high school athletic field, the Moss Point city Schools inaugurated their first field day which promises to become annual. A full program of track and field events and an amature contest was carried out during the morning hours followed by a picnic lunch. All the teachers, principals, and Superintendent, A. L. Monroe, were on hand and together with the students all had a splendid time. Prizes were awarded for first places and a loving cup was given to the class having the most number of points. The results of the program are as follows:

Boys 50yd. dash-----Grammar Grade----------Maples--New Elementary
" 75yd. dash-----Junior Hi.----------Jones----8th Grade
" 100yd dahs-----Senior Hi.----------Chance----11th Grade

Girls 50yd. dash----Grammar Grade--------Green------Mayo
" 50yd. dash----Junior Hi.----------Angelo-----8th Grade

She went to fieldmeet in the quartette and the chorus. She has a lovely voice and also plays the piano.

Fannie Mae Wyatt was born October 22, 1918 in Escatawpa. She has gone to M. P. H. S. for two years. She played basketball and won a letter. She was a member of the Girl Reserves. Her best subject was Shorthand. She went to Fieldmeet in track.

Jewell Williams was born in September 24, 1919 in Escatawpa. She has gone to M. P. H. S. for two years and has served as President of her class for those two years. Her favorite subject was Spanish. She has gone to Fieldmeet in English 1, placing thrid, Plane Geom., placing second, Algebra II,, and Expression. She was a member of the Girl Reserves, and the Journal Club, Literary Club, 4H club, and the Dramatic Club.

M.P.H.S. Band

In June of 1936, M. P. H. S. Band organized a high school band. With Mr. Rayburn as our director, we endeavored to make our Band a real band. All through the hot summer days the band met and each member sought to make their band a good one; one in which its supporters could be proud. School started in September and several new members were added. The Band also has acquired several new instruments of its own. In April, the band went to the state contest at Jackson. We did not bring back metals, but a name that we are all proud of and that made the whole town proud of. We were recommended as the best band that had ever stayed at the Robert E. Lee Hotel in Jackson. We, the M.P.H.S. Band was the only band to be asked back to stay in the hotel next year. The Class Officers of the M.P.H.S. Band are as followers:

THE GLEE CLUB OF 1936-37

The first week of school, Miss Behnke called a meeting of all those girls who would like to join the Glee Club. About fifty met for the first two or three meetings. The prospects of having a good Glee Club looked great. Miss Behnke made a talk on the kind of work we would have and she also gave the qualifications of those members who desired letters in the Glee Club work. Some of these qualifications were; Willing to work, prompt to duty, obedient to instructor, faithful to the Club, spirit of fellowship, willing to back all school activities, and the desire to help the school in any way possible. The members began to dwindle one by one and soon there were only a few left. We put our shoulders to the wheel and at the end of school we had something to show for our hard work; but our hard work has been a great pleasure to all of us. At the end of a job, hard work always brings a noted reward. When we six seniors, who were members of this fine club think that this is our last year, our hearts grow sad to know that never again will we be able to go to fieldmeet in "Dear Ole Moss Point's Glee Club".

In December we gave our first concert at the new Elementary School. A large crowd attended our concert. We were made more hopeful by having Sung, "Fleecy Clouds," "Garden Song", "Moonlit Lakes", and others. We also had a short operatta, "The Dizzy Banton" in which Jesse Cunningham played the leading role.

The boys decided that they would like to be members of the Glee Club, too. Miss Behnke gave to them two days a week practice; but finally they lost interest. I suppose it grew tiresome because in Glee Club work one must go over and over a line until one knows it well Finally they dropped the work. The girls kept going on with their work and zeal to do something worthwhile. The contest numbers were picked and we started work on them and worked hard, with the determination to do our best at Biloxi and we did do our best. The contest pieces were "Pirate Dreams" the girls chorous, and "Nocturne" by Nobel Cain as the girls quarette. The members of this chorous were: Vemba Turner, Nina Avera, Emmie Jackson, Thelma Hults, Kathleen Winters, Blackie Lander, Gertrude Philstrom, Opal Williams, Bill Dickens, Dottie Goff, Wauceil Smith, Margie Dantzler, Willie Blades, Kathryn Rhodes, Loraine Wilson, Kathrina Wilson, Anna Pearle Myers, Ruby Wells, Inez De Angelo, Margaret Mizell, Mildred Cunningham, and Izabell Nelson. The members of the quarette were Vemba Turner, Nina Avera, Bill Dickens, and Wauceil Smith. We went to Biloxi on April 17 and came home with the Gulf Coast Championship in the Chourous. The quarette placed third. How happy we all felt. Our goal had been reached. We are very proud of the pretty cup.

On the morning of May 5, Miss Behnke presented to those girls who reached the qualifications of letter members certificates. Those receiving letters were: Katherleen Winters, Thelma Hults, Vemba Turner, Kathren Rhodes, Kathleen Wilsons, Loraine Wilson, Mildred Cunningham, Isabell Nelson, and they were the ones who really deserved them. The quarette they sang at fieldmeet also they sang at the Junior-Senior Banquet.

We will never forget the faithful work of Miss Behnke. She has been very sweer to all of us and we appreciate it very much. We six seniors wish all the success in the world to the M. P. H. S. Glee Club in the future. We shall always have cherished memories of the good times we had together.

THE JUNIOR CLASS OF 1936
PRESENTED MARCH 6,
UNDER THE DIRECTION OF MISS M. B. CRAWFORD
"HE WAS A GAY SENORITA"

CAST

Nina Avera---pianist

This play was the success of the year. Never before had people filled up the auditorium like this nite. The hall was full to the brim. Everybody thought it the best play ever given in Moss Point and we are inclined to believe that, too. The entire class joined in the finale song and this added to the fun. It is hard to say which scene of the play was the best but we think that the ice scene was the funniest. The entire cast worked hard and our efforts were repaid. we had that grand feeling of doing a job well.

After the play, the entire calss enjoyed dancing and eating.

GIRL RESERVES

Meda Bonne Crawford--Director

Eliz Fairley--President Mary R. Carter--Vice President

Jewell Williams--Sec. Billie Belin--Treas.

Nina Avera--Pianist Mary E. Compton--Bus. Mgr.

The first meeting was called September 8, 1936 for the purpose of organizing. Officers were elected. Plans were made for a street fair to be given in the mear future.

The "Street Fair" was given September 25. It was a huge success. Sandwiches, drinks, and candy were sold; an entertainment was put on. After the fair was over the girls gave a dance. This was their first venture and this inspired them on to bigger things.

Miss Crawford and seven girls made the trip to Waynesboro to attend the Conference. At the request of Miss Conn, State Secretary, our girls put on a play. From all reports it was a good one. This was the first time that a club from Moss Point had been so honored. Eddie Lennep was elected District Secretary. We feel very proud of this. Eddie took part in the installation services and will also take part this coming year.

We cooperated with the football boys in every way by attending the games and yelling. After the season was over we gave them a banquet. December 18 we gave the largest football banquet that has ever been given. The band, then newly organized, played our pep songs. All the coaches, cheerleaders, and the football boys made a short speech. At the end of the meal, Mr. Khayat awarded letters. Dancing was then enjoyed to the wee small hours of the morning.

Xmas we sent a nice box to a little girl in a dentention hone.

We have presented two very enjoyable programs in chapel.

We have been on two hikes.

This year has indeed been a success--may next year be "Bigger
